

## GONE BUT NOT FORGOTTEN

It has long been an American tradition to remember special events and people in quilts. The American Morgan Horse Educational Charitable Trust would like to offer all Morgan owners the opportunity to share their memories of special Morgan horses. A Cyberquilt is being established at [www.morganhorse.com](http://www.morganhorse.com) which will offer a "cybersquare" with a picture and very short description of your special horse. We hope that you will take this opportunity to let the world know about your wonderful Morgans who are gone but not forgotten.

To participate, just fill out this form and send it by fax, e mail or regular mail to:
